

At Woodcock Hill Primary School we believe that through Physical Education and sport we will-

- Improve the fitness, health and well-being of all of our pupils
- Promote life long, active participation in sports and physical activity
- Enable every pupil to fulfil their capabilities in sporting activities

Woodcock Hill Sport Premium Funding 2016-2017

Sport Premium grant 2016-2017 £8,880

In 2016-2017 the grant will be offset against these costs-

- Supporting the salary of an unqualified teaching assistant (IC) who organises P.E. activities and in after school clubs (£4,387)
- Continued participation in the Shenley Sports Partnership, including release time for the school P.E. coordinator to attend training and organise pupil participation, attend any necessary meetings and monitor and be accountable for the use of the Sports Premium grant (£600)
- Use of the school mini bus to transport pupils to sporting events and activities (£1,893)
- Supporting Outdoor Learning (residential and day visits) through the schools participation and partnership with the Brighouse Outdoor Centre. (£2,000)

The impact of the use of the funding will be measured through

- Questionnaires to pupils to measure interest and participation
- Registers kept (and analysed) of those pupils attending at activities
- Teacher evaluations of any specialist support offered to measure the quality of input and impact
- An increase in the number of pupils taking part in inter school competitions
