

Geography Knowledge Organiser

Predators

I already know:

- The seven continents and five oceans of the world.
- The location of some countries, including in the UK and in Europe.
- How land is used in settlements.
- The importance of living near a water source.
- Human features are man-made parts of the world e.g. roads and buildings.
- Physical features are natural parts of the world e.g. rivers, mountains and seas.

Key Vocabulary:

habitable	a place which is suitable and fit to live in
earthquake	a sudden, violent shaking of the ground as a result of movements in the earth's crust or volcanic action
Asia	the largest continent which is home to 60% of the world's population
Shang	the Chinese dynasty which ruled from the 18 th to 12 th centuries BCE

I will learn:

- where China is located and its surrounding countries using maps
- about human and physical features of China
- what an earthquake is
- about the impact of earthquakes on Chinese housing
- about Shang settlements
