History

I already know:

- How to use the internet and books to find out more information about the past.
- About the lives of famous people from the past because I know how to research.
- What certain objects from the past might have been used for and that historic items have been used to build up a picture of life in the past.
- How an event from the past has shaped our life today.

Key Vocabulary:

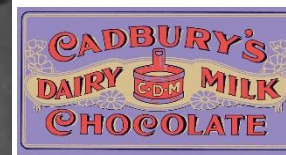

Bournville	an area of Birmingham that was built for Cadbury workers
lifestyle	how people live their lives
Quaker	a group of the Christian church
manufacturing	the creation of a product in a factory
monarch	the ruling King or Queen of a country
Victorian	an era in history during which Queen Victoria ruled

I will learn:

- about some aspects of life in Victorian Britain.
- who the Cadbury brothers were.
- the history of Bournville and what the benefits were for Cadbury workers.
- the history of Cadbury manufacturing.
- how James Lind improved soldiers health.
