Splendid Skies

History

I already know:

- To spot old and new things in a photograph.
- To use words and phrases like: before, after, past, present, then and now.
- To read a timeline.
- About and can name many of the changes that have happened since I was born.
- To give examples of things that were different when my grandparents were children.

Key Vocabulary:

modern	happening now
within living memory	a time that can be remembered by people currently alive
beyond living memory	a time that cannot be remembered by anyone currently alive
locomotive	the motor that powers a train
carriage	part of a vehicle that is used for passengers
steam engine	an engine that is powered by steam
automobile	a car

I will learn:

- about how transport has changed in recent and longer term history.
- how different modes of transport have modernised.
- about the Wright brothers.
- about changes to Space travel in living memory.

Modes of Transport

steam train

Ford car

aeroplane

Orville & Wilbur Wright

aeroplane

hot-air balloon

train

space rocket
