Beat Bang Boogie!

I already know:

- The UK is in Europe and is made up of England, Scotland, Wales and Northern Ireland.
- Our school is Birmingham, the second largest city in England.
- London is the capital city of England.

Key Vocabulary:

climate	the weather conditions in an area over a long period of time
culture	a pattern of behaviour shared by a society. Many different things make up a society's culture e.g. food, language, music, arts and religion
Earth	the planet we live on
equator	an imaginary line drawn around the middle of the earth
globe	a sphere shaped model of the earth
ocean	a wide expanse of sea

I will learn:

- the surface of the planet is about 29% land. There are seven continents: Africa, Antarctica, Asia, Australia, Europe, North America and South America.
- each continent has a wide range of land types, climates and animal life.
- the equator passes through the continents of South America, Africa and Asia.
