

History Knowledge Organiser

Beat Band Boogie!

I already know:

- I know how to ask and answer questions about old and new objects.
- I know the difference between living memory and distant memory
- I can talk about people from history and why they are important.
- how to give examples of things that were different when

Key Vocabulary:

music	a group of sounds arranged in a pleasing way
gramophone	a device for playing music
record player	a machine that plays records to produce a sound
vinyl	a record made from strong plastic
digital	music that has been recorded in a digital format
musician	someone who plays, writes or sings music

I will learn:

- about music and fashion during living memory.
- how to use the internet and books to find out more information about the past.
- what certain objects from the past might have been used for.
- About famous musicians from the past.
