

History Knowledge Organiser

Land Ahoy!

I already know:

- How to ask and answer questions about old and new objects.
- The difference between living memory and distant memory
- About people from history and why they are important.
- Examples of things that were different when my grandparents were children.

Key Vocabulary:

voyage	a long journey especially by water or space, to a distant or unknown place
map	a picture or drawing that shows where things are
astronaut	a person who travels to space to study the universe and more about it
explorer	someone who travels to new places and discovers new things
discovery	finding somewhere or about something new for the first time

I will learn:

- about exploration and how technology has changed to help explorers.
- how to use the internet and books to find out more information about the past.
- what certain objects from the past might have been used for.
- about famous explorers from the past.
- who Christopher Columbus and Neil Armstrong were.

Christopher Columbus

Neil Armstrong
