Wriggle and Crawl

I already know:

- How to ask and answer questions about old and new objects.
- The difference between living memory and distant memory
- About people from history and can talk about why they are important.
- How transport has changed in recent and longer term history.
- How different modes of transport have modernised.
- About the Wright brothers.

Key Vocabulary:

famous	known by many people
Amy Johnson	the first woman to fly solo from England to Australia.
Steve Irwin	an Australian TV star and animal expert.
transport	a way of moving people or things from one place to another
within living memory	a time that can be remembered by people currently alive
beyond living memory	a time that cannot be remembered by anyone currently alive

I will learn:

- about what it means to be famous.
- who Steve Irwin was and why he is famous.
- who Amy Johnson was and about her journey to Australia from England.
- how transport to Australia has changed over time.
