Homework Grid for Autumn 2. Beat Band Boogie!

Find out about a famous musician. Learn all about their childhood, their inspirations and accomplishments. Use this information to make a fact file.	Do some research on drums from other countries. Draw a picture of your favourite, find its country of origin on a world map and watch a video of someone playing it.	Create a chart of things in your home that make a sound. 	Record some sounds at home and make your own sound quiz. What about the sound of the washing machine, the sound of your favourite programme or the sound of your pet. Then test your family to see if they can guess what it is.
Design and make your own musical instrument using recycling from around your home. 	Create your own dance routine to a song that you like. Practice it and put on a performance for your family.	Write a diary entry imagining you were a famous composer. 	Learn a new song and sing it to your family and class. 

Practice your spellings and your reading. Practice counting in 2's, 5's and 10's. Write out number bonds to 10 and then 20 and use this information to make number families.

Our School Values: *We are respectful, ambitious, creative, inclusive, independent and we persevere.*
