

Geography Knowledge Organiser

I am Warrior

I already know:

- There are seven continents: Africa, Antarctica, Asia, Australasia, Europe, North America and South America. Some continents have many countries, others do not.
- Italy is a country in southern Europe.
- Key features of maps include: a title, a compass rose, symbols, a key and different colours for important things, such as green for forests and blue for rivers.

Key Vocabulary:

Celts	people living in Britain and other parts of Europe at the time of the Roman Empire
human geography	anything in an area that is not naturally occurring and that has been shaped by people
landscapes	an area of land and everything you can see on it
physical geography	anything in an area that is naturally occurring
population	the number of people living in an area
grid references	the numbered squares on a map used to locate a place

I will learn:

- the northern region of Italy is the most mountainous. Its Dolomites region is a part of the Alps, and is popular for alpine skiing.
- the most populous cities in Italy are Rome, Milan and Naples.
- many people visit Rome each year to see its Roman history, including the famous Colosseum.
