European Neighbours

I already know:

- Europe is the second smallest continent.
- Europe has around 44 countries, including the U.K.
- About 740 million people live in Europe.
- I know that the weather is different in different parts of the world.

Key Vocabulary:

Costa Brava	a coastal region of Catalonia in northeastern Spain
coastline	a line that forms the boundary between the land and the ocean or a lake
Euro	the currency and monetary unit of the European Union, symbolised by the € sign
Mediterranean Sea	the largest inland sea; between Europe and Africa and Asia
tourism	people travelling from where they live to another place for pleasure or relaxation either for a day trip or holiday

I will learn:

- Spain has a landscape of forests, rivers, mountain ranges and a large coastline on the Mediterranean Sea.
- Spain is the fourth largest country in Europe and is in the south-western area.
- Spain also includes several islands including Balearic and Canary Islands.
- The climate in Spain is warm due to being closer to the Equator.
