Year Four – Home Learning Autumn One

Our topic this half term is Blue Abyss. We will be exploring the ocean layers, habitats and pollution. We are reading Flotsam by D. Wiesner and Kensuke's Kingdom by M. Morpurgo.

Create a quiz about sea, oceans and underwater creatures. Ask your family and friends to complete it. 	Make a list of ways to stay safe when you are near water, like at the seaside.	Write a fact-file about your favourite sea creature. 	Write an under-the sea themed story.	Learn and perform a song with a sea-theme. 
Make a list of ways to look after the sea.	Design, draw and label a boat or submarine. 	Create a questionnaire with tally marks to record the favourite sea creatures of your family and friends. Use the results to draw a graph.	Calculate the price of a family visit to the Sea-Life Centre. 	Write an acrostic poem about your favourite under the sea creature.
