

Get Creative!

Paint, draw or collage a picture of a plant or flowers. Can you find out about how some famous artists have shown plants or flowers in their work?

Writing

Practise writing your name daily.
Write all the lower case and capital letters in the alphabet and numbers to 20.
Retell and write Jack and the beanstalk

Go for a walk to the park with your family or explore your garden. What can you see growing? Make a list of all the living things that you can find.

Reception Home Learning Summer 1

**This half term we will be learning
about Growing.**

Maths

Count sets of objects to 20?
Double a number?
Halve a number?
Which numbers are odd and which numbers are even?
Make a symmetrical butterfly picture.

Understanding the World

Find out about the life cycle of something you can see growing in the park or in your garden. Find a way to show the lifecycle. You could write about it or draw pictures.

Design a garden you would like to play in. What will you put in your garden? What will you grow? Draw and label your garden.

Reading

Read some stories about growing and retell them to your family.
Read some non-fiction books about plants and tell your family how to plant a seed.

Additional skill practice for Maths and Literacy will be sent home weekly. Please try and read every day.
