Frozen Kingdom

I already know:

- I can describe events from the past using dates when things happened.
- how to draw a timeline with different historical periods showing key historical events and the lives of significant people.
- A legacy is things that exist after someone dies or after a civilisation ends.

Key Vocabulary:

Antarctica	the worlds southernmost continent
equator	an imaginary circle around the earth which is equidistant from the North to South Pole
escapades	A reckless adventure
exploration	The investigation of unknown regions
frostbite	A skin injury that occurs when someone is exposed to extremely low temperatures
mariner	A person who directs or assists in the navigation of a ship
mission	An important task or duty
pole	Each of the extremities of the axis of the Earth
treaty	A formal agreement between two people or groups of people

I will learn:

- about the Anglo-Irish Polar explorer, Ernest Shackleton
- about the English Polar explorer, Robert Falcon Scott.
- how frozen escapades had dangerous consequences.
- about forms of travel by Polar explorers.
- about the great race to the South Pole.
- about the history of Antarctica.
