

Intent: History at Woodcock Hill encourages children to explore the past by showing them aspects of Britain and the wider world's fascinating history. As we explore changes in society and culture over time we will lead them to an understanding of how the world we know today was formed. We challenge children to think about and question what they find. Through engaging topics, we aim to inspire pupils' curiosity and equip them with the skills to become life-long learners.

Curriculum Area Map

Term	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
