## HEADTEACHER'S MESSAGE

I received some wonderful news this week in the form of a book voucher for our school. The voucher was awarded to school by the BBC because four of our pupils had entered their 500 Words competition. I would therefore like to thank **Ayat, Kaden, Royal-Ivanna** and **Willow-Mae** for winning this prize for our school.

I hope that you all managed to get out in the snow last week and build a snowman or perhaps even an igloo! Whenever snow is forecast and there is a possibility that school might close, please remember that we have a food bank – this is there for you and may help with your children’s lunches in the absence of free school meals.

Finally, thank you to all our Year Four parents who joined their children in the parent workshop this week. The focus was on the Maths Tables Check that the children will undertake at the end of year four.

With very best wishes

Mr Higgins

# World Book Day 5<sup>th</sup> March 2026

This year our World Book Day theme will be ***When I'm Older***. This half term our school value is Ambition and next half term it will be Perseverance; with this in mind, children can come to school dressed as what they would like to be when they are older. We do not wish to place families under any financial pressures to buy costumes for this day. So, it could be as simple as a hat, a badge or something homemade that represents that career.

## Careers' Week

Next week we will be exploring our school value 'we are ambitious' with a week focusing on careers and our ambitions for our futures.
