HEADTEACHER'S MESSAGE

This week our Year Four pupils began their swimming lessons. It was wonderful to overhear the instructor saying, as the children entered for their first session, "What beautifully behaved children." It means the world to us here to know that the opinions of others about our school is one of positivity.

On Wednesday 2nd April, Birmingham City Council are holding one of their S.E.N.D Socials events. These events are aimed at supporting families of children with SEND by signposting them to the correct services for their children and providing information; full details are in this newsletter.

This SEND event is being held locally to our school – so please do take the opportunity to drop by after attending our SEND workshop: Children and Anxiety.

With very best wishes

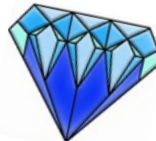

Mr Higgins
