HEADTEACHER'S MESSAGE

Dear Children,

Today, I sent a very special letter to the North Pole. In my letter, I told Father Christmas how proud I am of each one of you, how incredibly hard you have worked this year, and how you follow our school values of respect, ambition, creativity, inclusivity, independence and perseverance.

I also told him that you have taken part in many activities including sports' day, class assemblies, Christmas productions, PTA fairs and how you have raised money for Children in Need, MacMillan Cancer Research and for our school. I told Father Christmas that you are all very caring and kind and that you should definitely be on his '**good list**'.

I am sure that Father Christmas will read my letter, with the names of every pupil from Woodcock Hill Primary School and think to himself "*I am proud of them too!*"

I hope that the Christmas holidays bring you joy and that you have time to make lots of special memories with your family.

Merry Christmas from

Mr Higgins and all the Staff.
