HEADTEACHER'S MESSAGE

This week, we once again faced rising temperatures in the school building. Morning temperatures were fine but after lunchtime the temperatures had risen and were predicted to continue to increase. This meant that classroom temperatures were too high for children and staff, and we were forced to close early. Thank you to you all for your understanding in this.

On Thursday, our Year Two children presented their class assembly and there was hardly a dry eye in the house. They performed remarkably and are a credit to both the school and their parents.

Next week, it is our final parents' evening of this academic year. You should have received your child's annual school report and parents' evening is an ideal opportunity to discuss this in more detail; no appointments are necessary.

Finally, thank you to everyone who supported school by not sharing the outcome of the England game on Monday. The children had a fantastic time cheering for the England team!

With very best wishes

Mr Higgins
